# Downtown Blooms

## Downtown Kenosha's Adopt-a-Flower-Basket Project

There's something almost inexpressible about the beauty of flowers in season. A simple stroll through the downtown and lakeshore community proves it. On lampposts throughout the area, hanging baskets highlight the charms of our revived downtown, from spring through fall.

Our Adopt-a-Flower-Basket project allows you to contribute in an important and personal way. To show our appreciation, a plaque on the lamppost will note your sponsorship or honor the memory of a loved one. Either way, you'll be adding to the beauty of our reinvigorated downtown area. We hope you'll consider it.
